A photograph showing a person's hands working on a LEGO Mindstorms robot. The robot is made of grey and white LEGO Technic and Mindstorms components, including a large black motor and two black tires with white rims. It is connected to a white LEGO EV3 control hub with various black cables. The robot is positioned on a light-colored wooden desk. In the background, there is a stack of papers or books, a black computer mouse, and a blue electronic circuit board with a breadboard and jumper wires. A smartphone is also visible on the left side of the desk.
